

The Heart of the Matter
(Sermon on the Mount)

April 7, 2019

Sunday, April 7 we will begin a new series of lessons entitled, *The Heart of the Matter*, and our text will be from the Sermon on the Mount (Matthew 5-7). Our first lesson will be an overall view of this powerful discourse from the master teacher. Background, audience, topics and value are some of the points we would like to consider.

For next week read over these chapters and also consider the context leading up to the sermon. The reading of Matthew 5-7 only takes about 10-15 minutes and thank you in advance for any additional preparation you may have time for.

Your prayers are much appreciated for the success of the study, that it will serve as an edification for each of us and also provide a positive influence for visitors that come our way.
